ABOUT Y SWIM LESSONS

The Y strives to help all ages learn how to swim, so they can stay safe around water and learn the skills needed to make swimming a lifelong pursuit for healthy living.

The YMCA is centered on five core values: caring, honesty, respect, responsibility, and equity. Swim Lessons include age-appropriate opportunities to define, model and celebrate these core values. We utilize low instructor to participant ratios, ranging from 1 instructor to 4-6 participants, depending on stage.

Swim Lessons provide important life skills that could save a life, and will benefit you for a lifetime. All YMCA swim instructors are highly trained in our nationally recognized swim lesson curriculum. To ensure safety at all times all of our pools have a certified lifeguard on duty.

You don't need to be a member of the Y to take swimming lessons, but members receive a discount on lessons and access to early registration. Participating child must be a Y member to receive member rate and early registration.

GROUP SWIM LESSONS

In YMCA Group Swim Lessons, a natural progression promotes safe and effective swimming for all ages- from infants learning to love the water to advanced swimmers perfecting their strokes. All age groups are taught the same skills, divided into stages according to developmental milestones.

More information on stage prerequisites can be found on the Lesson Selector, or by visiting ymcanorth.org/swimmi

SWIM SAFETY LESSONS

The Y's Swim Safety program focuses on developing water comfort and basic self-rescue skills. Children not yet proficient in swim strokes gain confidence in and around the water. Instructors guide practice in safe water entry and exit, floating, and submersion. Swim Safety Lessons are offered by age.

SPECIALTY CLASSES

Children, teens and adults expand their skills and knowledge with YMCA Aquatics Specialty classes. Program offerings vary by location and may include swim team preparation, Adaptive instruction, leadership and more.

PRIVATE AND SEMI-PRIVATE LESSONS

Private lessons are a great option for swimmers looking to catch up or get ahead. These lessons give participants individualized attention to help improve or master swimming skills. You set the agenda by working with the instructor to determine goals. Curriculum is customized to meet these goals. Private and semi-private lessons are 30 minutes in length, and can begin at any time.

To arrange lessons, please contact the Aquatics Department.
