ABOUT Y SWIM LESSONS

The Y strives to help all ages learn how to swim, so they can stay safe around water and learn the skills needed to make swimming a lifelong pursuit for healthy living.

The YMCA is centered on five core values: caring, honesty, respect, responsibility, and equity. Swim Lessons include age-appropriate opportunities to define, model and celebrate these core values. We utilize low instructor to participant ratios, ranging from 1 instructor to 4-6 participants, depending on stage.

Swim Lessons provide important life skills that could save a life, and will benefit you for a lifetime. All YMCA swim instructors are highly trained in our nationally recognized swim lesson curriculum. To ensure safety at all times all of our pools have a certified lifeguard on duty.

We offer a variety of schedules during the summer, and most lessons are 30 minutes long. You don't need to be a member of the Y to take swimming lessons, but members receive a discount on lessons and access to early registration. Participating child must be a Y member to receive member rate and early registration.

SWIM TEAM

Our trained coaches work to improve swimmers' skill level, endurance and to promote a healthy lifestyle. Our program embraces the YMCA core values and promotes progression at an individual level.

YMCA Swim Teams are offered at most locations in the Twin Cities metro area. Swim meets are scheduled against other teams in the Minnesota State League, typically at other Y locations on Saturdays.

For more information on team locations, practices, and swim meets, please visit us online at www.ymcanorth.org.

You set the agenda by working with the instructor to determine goals. Curriculum is customized to meet these goals.
