ABOUT Y SWIM LESSONS

The Y strives to help all ages learn how to swim, so they can stay safe around water and learn the skills needed to make swimming a lifelong pursuit for healthy living.

The YMCA is centered on four core values: caring, honesty, respect and responsibility. Swim Lessons include age-appropriate opportunities to define, model and celebrate these core values. We utilize low instructor to participant ratios, ranging from 1 instructor to 4-6 participants, depending on stage.

Swim Lessons provide important life skills that could save a life, and will benefit you for a lifetime. All YMCA swim instructors are highly trained in our nationally recognized swim lesson curriculum. To ensure safety at all times all of our pools have a certified lifeguard on duty.

Wondering where to start?

- PARENT/CHILD (stages A-B) is for young participants who aren't ready to be alone in the pool without a parent.
- Independent participants who are developing their skills should start in SWIM BASICS (stages 1-3).
- **Newly-added based on your feedback!** Those swimmers age 4-12 who can swim without floatation 10-15 yards (half of the length of the lap pool) on their front and back, **with their face in the water**, should start in BEGINNER SWIM STROKES (stage 4).
- ADVANCED SWIM STROKES (stages 5-6) is for participants who can swim 25 yards (the length of the lap pool).

More information on stage prerequisites can be found on the Lesson Selector, or by visiting ymcamn.org/swimming.

SPECIALTY PROGRAMS

Swim Crew Swimmers explore what it's like to be on a swim team without committing to a whole season. Kids learn competitive swimming techniques, drills and endurance building. Swimmers are introduced to competitive swimming language and organized swimming workouts.

Water Triathlon Training Train for the water leg of a triathlon through interval training and stroke development, and training as a group. Participants receive 3 instructor prepared swim workouts per week, 1 to complete during class and 2 to complete independently.

Women Only Adult Swim Lessons This class will be run with the same curriculum as other adult swim lessons but with women only including a female instructor to allow more participants with religious restrictions.

Programs listed are currently offered at this location. Please visit ymcamn.org for additional programs and locations.

SWIM TEAM

Our trained coaches work to improve swimmers' skill level, endurance and to promote a healthy lifestyle. Our program embraces the YMCA core values and promotes progression at an individual level.

YMCA Swim Teams are offered at 10 locations in the Twin Cities metro area. Swim meets are scheduled against other teams in the Minnesota State League, typically at other Y locations on Saturdays.

For more information on team locations, practices, and swim meets, please visit us online at www.ymcamn.org.

PRIVATE AND SEMI-PRIVATE LESSONS

Private lessons are a great option for swimmers looking to catch up or get ahead. These lessons give participants individualized attention to help improve or master swimming skills. You set the agenda by working with the instructor to determine goals. Curriculum is customized to meet these goals. Private and semi-private lessons are 30 minutes in length, and can begin at any time.

To arrange lessons, please contact the Aquatics Department.
